

St White's Primary School
Challenge, Commit, Conquer and Celebrate

5 October 2017

Dear Parents,

As part of our School Development Plan the school is working hard to enhance our school site. There is so much potential to use the outdoor space as part of the children's learning environment. Forest School sessions will be available for Reception, Year 2 and Year 6 during this academic year. Teachers are already using outdoors as part of their weekly planning and Reception have access to outdoor space throughout the day.

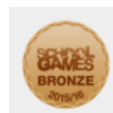

As part of this enhancement the school needs to develop links with trades who may be able to source simple, free equipment for the school to use. Are you a tree surgeon? Do you know any tree surgeons who may be able to provide school with regular supplies of green wood such as willow, elder or sycamore?

Do you know any builders, electricians, milkmen / women, kitchen fitters? Below is a list of items that the school is keen to acquire;

- Milk crates
- Wooden crates
- Cable reels (of all different sizes)
- Pallets
- Old kitchen units (to build a mud kitchen)
- Plastic guttering
- Plastic piping (of all different sizes)
- Wood to build a bird hide
- Green wood for children to saw / whittle / build with
- Old steering wheels
- Tarpaulin
- Wooden planks / decking lengths / planters
- Jerry cans with taps

If you can help please get in touch. The school would love to hear from you. Other items on our outdoor shopping list are as follows;

Sneyd Wood Road, Cinderford, Gloucestershire, GL14 3GD
Tel: 01594 822311

"This is a
good school."
Ofsted 2015

St White's Primary School

Challenge, Commit, Conquer and Celebrate

- Wicker baskets
- Ropes and pulleys
- Large kitchen pots / cauldrons / kitchen utensils
- Children's wheelbarrows
- Copper ladles

Before you throw anything like this away please think of St White's first! There is a strong possibility it may be suitable for our outdoor resource collection.

Many thanks,

Kirsty Barrow (Outdoor Lead)
