

# St White's Primary School - PSHE

Phase: KS1

Topic: VIPs

## What should I already know?

- Everyone in the world is special and unique. No two people are exactly the same.
- Friendship is a positive bond between two or more people which leads to happiness and fulfilment
- It is important to show that we care about all the special people in our lives

## Knowledge

This topic enables children to identify who the **special people** in their life are and what makes someone a **special person**.

Children are also encouraged to explore **why families and friendships are important** and to understand that although these units are different for everyone, there are things they can do to **resolve differences and build healthy and positive relationships** within them.

This unit also teaches children the **importance of cooperation** and how to show the **special people in their lives that they care**, as well as the positive impact of doing this.

**Being a Good Friend:** The children are asked to identify and draw a picture of a time they have been a good friend to someone at playtime, lunchtime and in the classroom.

**Showing I Care:** The children are asked to identify ways in which they can show the special people in their families that they care about them.
