

**St White's Primary School**  
*Challenge, Commit, Conquer and Celebrate*

21<sup>st</sup> September 2021

Dear Parents/ carers,

We are Heron project group and we are wanting to help the school and the local community. As a small team we require your help. We are ready for a challenge and are extremely committed hardworking pupils.

We would like your ideas on what can be changed about the school and the local community. Please can you inform us on what you think can be improved? Our ideas so far are: improving road safety, encouraging healthy eating and more playground/outdoor equipment. Last year, Heron project group raised enough money to buy a defibrillator and we are hoping to achieve something just as important.

Please scan the QR code or follow the link at the bottom of the page to fill out a survey on what ideas you have on improving our school and the local community. Every response will be valued and considered. We would like you to complete this at your earliest convenience to help us achieve something special.

Yours sincerely,

Soraia, Edmée, Trinity, Evie and Emily.  
Heron project group.
