

**St White's Primary School**

*Challenge, Commit, Conquer and Celebrate*

September 2021

Dear Parents/Carers,

### **Welcome back!**

Firstly, I wanted to welcome you all back, and thank you for all the support you have given your children, and the school, over what has been a very odd couple of years.

As I am sure you can imagine, the school is still having to work with altered systems while also trying to get back to 'normal' as much as possible. I wanted to write to you all to outline how we are hoping things will work for our pupils with SEN.

As always, it is our primary focus to ensure that all children settle back into school life. Over the next few weeks we are going to be spending time with all the children to help us fully understand their current learning needs. Staff will work closely with the My Plans and My Plan Pluses already in place so that targets can be reviewed accurately and any alterations can be made if necessary.

In the week beginning Monday 11<sup>th</sup> October, and the week after if necessary, we will be holding My Plan and My Plan Plus meetings with your child's class teacher, yourselves, your child (where appropriate) and any external agencies involved if possible. Due to the current guidance, we are now able to offer face to face meetings that will be held in school. Personally, I cannot wait for parents to be able to come back into school so children can share their books with you once again. However, I am very aware that for many of you, being able to attend the meetings virtually has been hugely beneficial. Therefore, there is also the option of attending the meetings virtually if you would prefer. When days and times are sent out, in the coming week, you will be asked to confirm your attendance (whether that be in person or virtually) so that the necessary arrangements can be made if the meeting is going to be held via Teams.

I am thoroughly looking forward to working with you all again this academic year, and hopefully seeing more of you in school for your meetings.
