

Develop your creativity:

- ◆ Create your own soldier who has enlisted. Create his identity card. (1 point)
- ◆ Design a uniform for your soldier. (2 points)
- ◆ Write a diary entry as your soldier. (2 points)
- ◆ Create a set of medals earned by your soldier. How did he earn them? Where was he serving? (2 points)

Extend your research skills:

- ◆ Talk to your family and find out who was involved in WW1. What were their roles? Find photos and other special objects. (2 points)
- ◆ What is your local infantry regiment? What is their regimental badge? Write a fact file of key facts. (2 points)

This half term's P^{OW}er Project is:
'The Great War': Your Country Needs You!
To be handed in 15th October

Choose projects to achieve your 10 P^{OW}er Points. You can add with your own ideas too! Tick off what you have completed to achieve your points.

Explore your mathematical skills:

- ◆ Your family want to visit London as part of The Great War centenary. How much would it cost to visit London for an overnight stay? (2 points)
- ◆ Calculate the distance your family would travel if they visited London. How long would it take? Create a timetable. (2 points)
- ◆ Design your own 'symmetrical' medal. (1 point)

Explore:

- ◆ Where is your local War memorial? Take photos for your scrapbook. (1 point)
- ◆ Visit a local museum – take photos. (2 points)
- ◆ Explore with an adult the animations on BBC schools website. What have you learnt? Create your own animation or picture story. (2 points)
