

Develop your creativity:

3 points

- ◆ Make a model aeroplane.
- ◆ Make a parachute and decorate with your own design.
- ◆ Create a model of an airport from LEGO.
- ◆ Write a postcard from an amazing place you have flown to (this could be imaginary).
- ◆ Draw a suitcase of favourite things to take on your flight.

Kingfisher, Nightingale, Sparrow

This half term's POWER Project is:

'Aeroplanes'

HAND IN BY: 7th July 2021

Explore your locality:

1 point

- ◆ Find out the names of the airports in Gloucestershire and the South West of England. How many airports are there?

Explore your mathematical skills:

2 points

- ◆ Find a toy or picture of an aeroplane.
- ◆ What shapes can you spot? Make a list of these
- ◆ How many of each shape are there?
- ◆ Find 15 objects that you would pack into a suitcase to take with you on a flight.
- ◆ Can you sort these objects?
- ◆ Can you order them in size, smallest to largest?
- ◆ Find your favourite book to read on a flight. How many words are there on the first page? Which page has the most words? Which has the fewest?

Extend your research skills:

2 points

- ◆ Can you get someone to teach you how to make paper aeroplanes?

Choose projects to achieve your minimum

5 POWER Points.

By all means go over 5points!

Tick off what you have completed to achieve your points.
