

St White's Primary School
Challenge, Commit, Conquer and Celebrate

Poster Competition - September

Do you want a copy of your design given to you as a poster?

Do you want to see your work up in school?

Do you want to help everyone understand what is important to St White's?

If the answer is yes to any of these questions, please enter our poster competition.

Each month there will be a new quotation.

All you need to do is make the words into an eye-catching poster and give it in to the office before the end of the month – Friday 29th September.

This month's phrase is:

It's okay to not know yet, but it's not okay not to try.
