

St White's Primary School

Challenge, Commit, Conquer and Celebrate

INCLUSION LEADER – FIXED TERM

St White's Primary School is an innovative and exciting place to work and learn. We have a strong, enthusiastic team who are dedicated to ensuring that our school offers the best education to our children and the best support to all stakeholders.

'Challenge, Commit, Conquer and Celebrate' are at the heart of everything that we do. Our vision is to give our children the knowledge to see what should be cherished, challenged or created and the courage enthusiasm, commitment and communication skills to do something about it. We do this through delivering our rich curriculum which includes an ambitious range of curricular and extra-curricular opportunities which engage, enrich and excite our children as learners and make them not just secondary ready but life ready.

If you are up for the challenge of becoming part of our team who are committed to a vision of excellence, want to work with us to conquer all the challenges that we will face, and celebrate together, this is the place for you.

To join our team, you will need to be able to demonstrate that you are able to communicate clearly, be enthusiastic with a 'can do' attitude, take responsibility both personally and collectively and are reflective. You will also need to be hugely enthusiastic about education and driven to improve your practice, and that of the school. In addition, it is essential that you are prepared to welcome new ways of working as we have distinctive systems for learning, which are both highly collaborative and original.

The Inclusion Leader's role involves the strategic overview and management of SEND, CIC provision and provision for children with medical needs, as well as those with Safeguarding and Child Protection needs within the school. It does not have a classroom teaching responsibility but there is an expectation as part of their role. The Inclusion Leader will put in place reasonable adjustments and provisions and monitor these. You will either have already achieved, be working towards or be ready to start the National Award for SEN Coordination qualification.

The successful applicant will be expected to be able to adapt to supporting pupils across all phases, be willing and able to become an integral part of the team here and to share their successes and difficulties so that we can use them both to strengthen our offer.

Supporting all stakeholders is central to our philosophy so the ability to work with pupils, staff, parents and other professionals is essential, as this will ensure the best outcomes for our children.

The Inclusion Leader position will be on a part-time (3 days a week), fixed term contract commencing as soon as possible, and lasting until Thursday 31st August 2023 in the first instance. At this point, the position will be reviewed in line with establishment requirements. The salary will be negotiable according to experience.

If you feel that you have the right experience, skills and enthusiasm, and would like to join our highly committed team, please contact us on 01594 822311 or visit the website where the application form and further information can be found. Visits to the school are welcomed on an appointment basis. Further details about the school can also be found on the school website.

The school is committed to safeguarding and promoting the welfare of children and young people. It expects all staff and volunteers to share the same commitment. This position is subject to an enhanced DBS check. The school's safeguarding policy can be found here: <https://www.st-whites.gloucs.sch.uk/web/policies/336096>

Closing date: Wednesday 8th February 2023

Interview date: Thursday 16th February 2023
