

3 POWER Points:

Develop your creativity:

- ◆ Create a model of a bridge
- ◆ Use charcoal to sketch a blast furnace
- ◆ Perform a poem out loud which depicts the sounds and smells of a mine.
- ◆ Create a mining lamp
- ◆ Sketch some of the interesting places you visit in our 'research' section

This half term's POWER Project is: **'The Industrial Revolution in the Forest of Dean'**

2 POWER Points:

Geographical Skills

- ◆ Look at a map of the forest dating back to the beginning of the industrial revolution. Can you find where you live?
- ◆ Can you explain how iron is made? You could draw a diagram or create a set of instructions.

1 POWER Point

Writing Skills

- ◆ Write a diary entry for a miner in the Forest of Dean
- ◆ Write a motivational speech to persuade people to work as a miner
- ◆ Create a poem about mining
- ◆ Write a biography of Robert Mushet

2 POWER Points:

Research skills:

- ◆ Visit some of the famous spots in the Forest of Dean, linked to the industrial revolution, such as Whitecliff ironworks, Hopewell colliery and Clearwell caves
- ◆ Can you find the 'Hod Boys memorial' in Upper Soudley? What does it tell us about mining?
