

**St White's Primary School**

*Challenge, Commit, Conquer and Celebrate*

19 July 2018

Dear Readers of St White's,

It has been an exciting year of reading this year: a reading evening at school; a visit to the Cheltenham Literature Festival; an author visit (Rich Pitman); a visit to the Everyman Theatre; older and younger classes reading together; and making use of our fantastic library. I hope that the enthusiasm we have generated can be sustained over the holidays. There are a number of opportunities available to you that I hope you will take full advantage of.

### **Summer Reading Challenge**

We were lucky enough to have a visit from Lisa, from Cinderford Library, at celebration assembly last Friday 13<sup>th</sup> July. She told us all about the summer reading challenge which is free! Go along to the library at least three times this summer (taking out at least two books each time) and you can earn your challenge certificate! Lisa will come in to school in September to give out the certificates. For all those that complete the challenge, there will be a tea party at school where they can come along and share their favourite books with Mrs Cross. You will also be given a raffle ticket which will go in to a draw for a chance to go on the minibus to a book shop to purchase some new books for the library!

### **Library Events**

Over the summer, there are a number of different events at the library including Lego! Have a look at the events attachment and go and see what is happening.

### **Extreme reading**

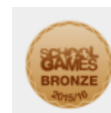

The library is creating an extreme reading wall with photos of people reading in unusual places. Bring a copy of your photo in to school and we will create our own display. Miss Cinderey already has her photo ready of her reading on top of Gloucester Cathedral – can you beat that?

If you are looking for ideas of books to read, what about something on World War 1 ready for our topic in September?

Have a lovely reading summer.

# MISCHIEF MAKERS

**SUMMER READING CHALLENGE 2018**

**[mischief-makers.org.uk](http://mischief-makers.org.uk)**

from Saturday 14 July

Our local library staff have been telling the children how to take part in **MISCHIEF MAKERS**, this year's Summer Reading Challenge.

All they have to do is read SIX library books and visit the library regularly over the summer, collecting special stickers and incentives along the way.

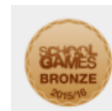

Please encourage your children to visit the library and sign up and see the difference the Summer Reading Challenge makes to their reading.

We will be celebrating and rewarding all children who took part at the beginning of the new school year.
