The Year 5 & 6 boys brought home the trophy. After some very close games, finishing joint top of the group and a penalty shoot-out they made it to the final and won against Westbury in the final without conceding a goal for the whole tournament! Very well done to the team!

Cheltenham Literature Festival

Everyone had a fabulous time at the Cheltenham Literature Festival – a huge thank you to all the

parents who volunteered to come along – we can't make these trips work without you! KS1 were very lucky to bump into the gruffalo! We all enjoyed

being transported back to ancient Greece in the story shack, and our talks by famous authors.

Wear green for mental health day – thanks to all the children who wore something green and to everyone who donated – we raised an amazing £96.00 for the mental health charity MIND. During the day the children all watched an online event about the benefits of reading for

your mental health and tips on good mental health, followed by reading for 10 minutes and

10 minutes of daily reading for the rest of the week.

Year 6 Residential at the time of writing our intrepid Year 6 pupils accompanied by Miss Cinderey, Mr Jones, Mr Hayward and Mrs Kibble are on their way home from a fabulous week in Aberdovey. There are lots of pictures on the school website under Classes, Year 6 Residential. They have had an amazing time!

Forest School

This term it has been Swift, Robin and Wren classes who have enjoyed Forest Schools. Toasting marshmallows is always a special treat in the last week! Next term it is the turn of Kingfisher and Skylark!

Harvest Festival – a big thank you to everyone who donated tins and packets of food for the foodbank, and to all the parents who came in to see the children's artwork and join us for assembly. Thank you to our guests from the Re-Wild Program and the Food Bank who came to speak to the children. The proceeds from the children's framed artwork will also go to the foodbank. Framed pictures will be sent home after half term.

Library Assistants – Last Friday our library assistants visited Cinderford Library and learnt all about the way books are ordered and referenced, how to check them in & out and what sections they are displayed in across the library. They then took part in an activity in teams where they had to find 5 specific books each, based on the information they had learnt. They thoroughly enjoyed themselves and can't wait to use their knowledge to help in our school library.

Quick Sticks Hockey – well done to our group of Year 5 and 6 pupils who attended the event at Newent School this week – most of the teams including ours were quite new to playing hockey and the organisers said that the playing really improved as the day went on. A big thank you to the parents who provided transport too.

Attendance Update We are pleased to have had a much better start to the school year for attendance. Whole school attendance has just

dropped below 96% due to quite a bit of illness with coughs, colds and some sick bugs. Today we are really thrilled to be giving out 126 certificates and badges to pupils with 100% attendance for the first half term.

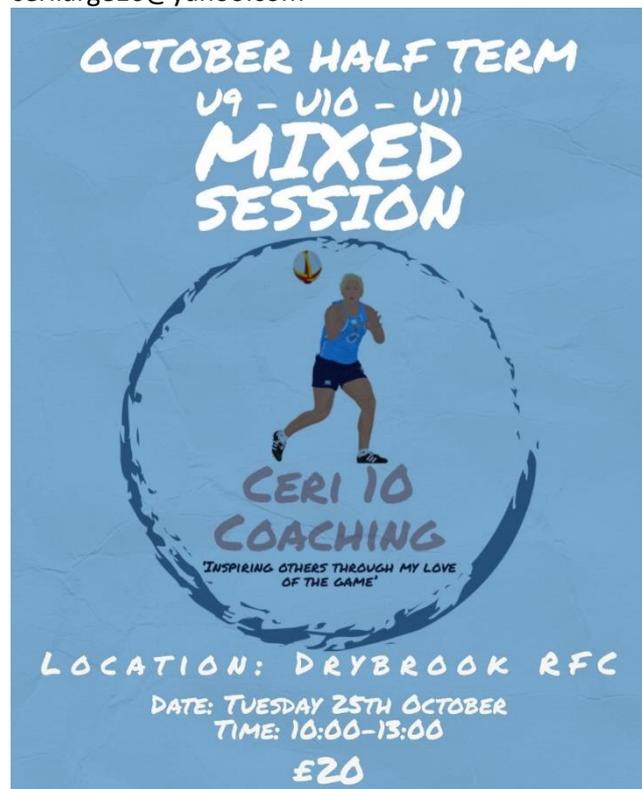

Everyone had their certificates this afternoon and wore their badges proudly to assembly. There will be a different colour badge for each half term and this year they have smiley faces on them!
