

St White's Primary School

*Challenge, Commit, Conquer and Celebrate*

Monday 25<sup>th</sup> September 2017

**Reference:** Learn Alongside Your Child Session-4<sup>th</sup> October 2017

Dear parents and Carers,

I hope you are all settling into the routine of school runs again. As you know, the school is piloting an exciting new event called '**learn alongside your child**'. This session will give you the opportunity to come into your child's classroom for the first lesson of the day on **Wednesday the 4<sup>th</sup> October**. The children will then carry out their usual learning with you beside them.

The aim of these new sessions is not only to give you an insight as to how your child learns but also give you tips on how to encourage and help them with their homework. You will be able to see a maths lesson taught by their teacher. The way in which maths is taught, and the methods and vocabulary used, has changed considerably since the introduction of the new curriculum in 2014 and so it will give you the chance to experience first-hand these new concepts.

Once you have dropped your child off at their classroom, please make your way to the office and sign in. Staff will then direct you to your child's class for the start of the session at 9.00am.

On behalf of all the staff here at St White's I would like to thank you for your continued support of the school, I know the children will be thrilled to have you join in with their learning on this day.

Best wishes,

Mrs I Haroun
