

## After-School Science Club @ St White's Primary School

*Hello!*

We're delighted to announce that we'll be running an after-school science club for KS2 (Year 3-6) children at St White's Primary School from Thursday 11 November 2021!

Each session will last for one hour, from 3.15–4.15pm, and will be filled with action-packed, hands-on science supporting the National Curriculum.

***The cost for this award-winning, five-week programme is just £30 per child***, which includes something to make and/or take home with them each week, so the experiments can continue!

The first one-hour session for KS2 will begin straight after school on Thursday 11 November 2021; these will then continue at the same time each week.

***To book your child on the KS2 programme, please see this link:*** <https://tinyurl.com/stwhitesks2>.

Places are limited to 20 and will be allocated on a first come, first served basis - act now to avoid disappointment! If you have questions, please email [cheltenham@fun-science.org.uk](mailto:cheltenham@fun-science.org.uk) or call 07894440519.

*Hope to see your child there!*

*Diatom Dave*

(For more about what we do, including amazing science-themed parties, please see <http://www.fun-science.org.uk>.)
