

St White's Primary School - Computing

Phase: EYFS

Topic: All about Me

Knowledge

There are lots of different types of technology and we use them to do different things.
 We can make something work by switching it on and off.
 We can use technology in different ways to make it perform an action.
 We can use computers and tablets to give us information.
 An Ipad is a type of tablet.

Values

Challenge	What do you find challenging when you use an Ipad?
Commit	How do we learn to do new things with technology?
Conquer	What can you already do with technology?
Celebrate	When do we use technology to help us to celebrate?
