

3 points

Develop your creativity:

- ◆ Create your own model of a cave
- ◆ Use chalk in your garden to create your own cave drawings– take photographs
- ◆ Write a poem about life during the Stone Age.
- ◆ Create a piece of cave music to tell a story. Record it to share in class.

This half term's POWER Project is:

'Cave art'

DUE IN BY: 18th October

2 points

Explore your mathematical skills:

- ◆ Use paint/ chinks to create a symmetrical pattern.
- ◆ Design a dice game with cave characters.
- ◆ What is Stonehenge? How far away is it? How long would it take to get there?

3 points

Explore your locality:

- ◆ Have you ever visited Clearwell Caves? What are they like? Visit the caves or research them online and create a fact file, leaflet or poster.

Choose projects to achieve your 5 POWER Points. You can add with your own ideas too!
Tick off what you have completed to achieve your points

2 points

Extend your research skills:

- ◆ What did people eat during the Stone Age?
- ◆ What are stalactites and stalagmites? How are they formed?
