

## Heron, Peregrine, Woodpecker

### Develop your creativity:

#### 3 points

- ◆ Create a new uniform for the Police Force which will support them with their job in all weathers.
- ◆ Design a utility belt to be carried by police officers.
- ◆ Design a recruitment poster to attract new officers to the Police Force.
- ◆ Design and make a patrol car with 'mod cons' and items to support the role of being an officer.

### Explore your locality:

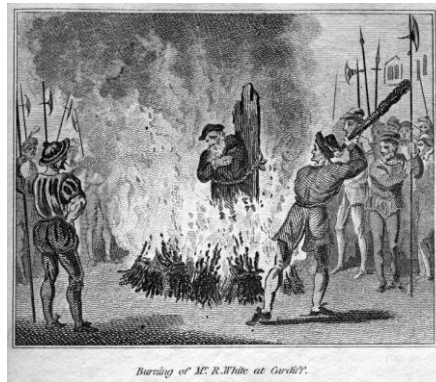

#### 1 point

- ◆ Where is your local Police Station?
- ◆ What area of your locality does it cover?
- ◆ How are the officers involved in your community?

### **This half term's POWER Project is:**

#### **'The Police'**

**HAND IN BY: 14<sup>th</sup> February**

### **Choose projects to achieve your**

#### **5 POWER Points.**

**You can add with your own ideas too! Tick off what you have completed to achieve your points.**

### Explore your mathematical skills:

#### 2 points

- ◆ Design a badge for the Police Force with either reflective or rotational symmetry.
- ◆ 999: How many ways can you make this number by adding three numbers?
- ◆ Using the telephone number of your local Police Station, create 10 number facts e.g. It is odd; it has 12 digits; it is a multiple of 5

### Extend your research skills:

#### 2 points

- ◆ Research what it takes to be a police officer.
- ◆ What training is involved?
- ◆ What different types of officers are there?
- ◆ What are their responsibilities?
