### Easter story

#### Good Friday

On **Good Friday**, Jesus Christ was executed by **crucifixion**. His body was taken down from the cross, and buried in a cave. The tomb was guarded and an enormous stone was put over the entrance, so that no-one could steal the body.

#### Easter Sunday

On the following Sunday, some women visited the grave and found that the stone had been moved, and that the tomb was empty. Jesus himself was seen that day, and for days afterwards by many people. His followers realised that God had raised Jesus from the dead.
