

Parent Information – Friday 28th May 2021

Thank you to everyone for observing all our guidance about keeping everyone safe on the school site. These arrangements will continue unchanged for the time being, as there is no change in the government guidance on how primary schools should operate from 17th May.

This is a very short weekly update, as there is lots of information in the newsletter attached!

Also attached is a letter about Forest Schools which is starting after half term for

Peregrine Class – Tuesdays

Kingfisher Class – Wednesdays

Woodpecker Class – Thursdays

Heron Class – Fridays

Important note – children who have hot school dinners after half term will need to take their own water bottle to the lunch hall with them. Please make sure all children have their bottle every day.
