

St White's Primary School

Challenge, Commit, Conquer and Celebrate

20th March 2020

Dear Parent/Carer

You are receiving this message because your child/children are entitled to benefits based Free School Meals.

During the time that the school is closed to the majority of children, the kitchen will provide a packed lunch on a daily basis for Free School Meals children.

These meals will be provided in bags and will be placed outside the Sneyd Wood Road entrance to the school from 11am until 12 noon each day. We are asking parents to come and collect them daily.

When you come to collect packed lunches, please observe the guidance on social isolation and minimise your contact with other people and with objects which other people might touch. Please come onto and leave the school site as quickly as possible and do not stand around and socialise with other parents outside the school. Please ensure that you only pick up one packed lunch for each child, and do not touch any other packages. Please do not allow children to play in the area in front of the school or to touch anything.

Please do not come into the building to speak to staff. If you have any questions please telephone the school.

Please continue to observe guidance to reduce the spread of coronavirus. **If anyone in your family is unwell, please stay at home, and do not come to school to collect lunches.** If you are in isolation and are struggling to obtain food supplies, please contact the school and we will try to put you in touch with an agency which can help.

If you decide that you do not want to collect these lunches, please let the office know so that we can minimise waste.

Kind Regards

Mrs Clare Tilling
Head Teacher
