

### Values

Challenge	How can make different colours?
Commit	To developing our pencil grip
Conquer	How can I make a certain colour?
Celebrate	How can we celebrate our final pieces?

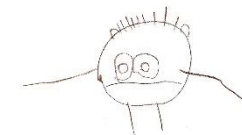

### Real Life Images

### Technical vocabulary

Drawing	The act of making a picture with a pencil or pen.
Sketching	A simple, quickly-made drawing that does not have many details.
Observe	Look carefully at something
Primary colours	Red, yellow and blue
Secondary colours	Green, orange and purple
Plan	To put your ideas onto paper

### Sketching

### What I will know by the end of the unit?

- I will be able to name some colours
- I will be able to explore mixing colours together and talk about what is happening.
- I will be able to make different colours.
- I will be able to use the correct colours when painting real life things.
- I will be able to draw a person
- I will be able to add facial features to a person.
- I will be able to draw basic shapes.
- I will be able to trace over lines.
- I will be able to use different tools (pencil, pen, crayons)
