### **Wear Something Red on Friday 13<sup>th</sup> March**

A message from Heron Class –

Dear Parents and Carers, Cast your minds back to when we introduced our class project (to get a defibrillator). Now this is your chance to help. You can help by donating money (£1.00 per child) on Friday 13<sup>th</sup> March 2020 when we will be wearing red for a day to show support for the British Heart Foundation. If you would like to help us more you can bring any extra money to the office. We will use the money raised to purchase our very own defibrillator. Yours Faithfully, Chloe, Chloe, Fearn and Jamie – Heron Class

information on these events call in at the library or see the school website.

**Coronavirus Precautions** The school is receiving regular updates from the DfE and Public Health England, and we are following their advice and guidelines. The most

important thing for us in school, and for families at home, is to ensure that all children and adults wash their hands thoroughly,

using warm water and soap. It should take 20 seconds to wash hands thoroughly and you should do so especially before eating, and when you get home from being in a public area.
