## December 2020

Welcome to our December edition of the newsletter, the last one of 2020. Thank you to everyone for observing all our guidance about keeping everyone safe on the school site. These arrangements will continue unchanged when we return in January.

We hope you have a lovely festive break and looking forward to seeing you all in the new year

The DFE and Public Health have asked schools in the Christmas holidays to continue to assist with tracing and contacting anyone who may have been in close proximity to a confirmed covid case. So far, we have been very lucky that we have not had to close any bubbles because of positive cases. **If your child displays symptoms of covid during the holidays, please arrange to get a test, and if the test result is positive, please let the school know immediately** by email to [admin@st-whites.gloucs.sch.uk](mailto:admin@st-whites.gloucs.sch.uk)

## Goodbye and Good Luck

At the end of this term, sadly the school will be losing Mr Thompson as the Woodpecker Class teacher. He has been a really valued member of the team here at St White's and we will be very sad to see him go. Mr Thompson is leaving us to take up a new role at another school. Everyone here at St White's wishes him well for the future; we will really miss him.

We are also saying thank you and goodbye to Dan Beard who is finishing his term as a parent governor this week. He has served on the governing board for 7 years and has been Vice-Chairman, Chair of the Assessment & Curriculum Committee and Pupil Premium Governor. His help and support have been invaluable and we wish him all the best.

## Christmas Cards

Thank you to everyone who made use of the post boxes to send out their Christmas cards. Our office elves worked very hard sorting them all out for each child in each class! The wraparound team would like to show you what the children have been doing in wraparound in the lead up to Christmas. They have been making candle holders by reusing old jam jars and decorating them. The children also helped decorate the hall with paper chains and the Christmas tree. They have also been making designs out of hama beads. Have a look at the cool creations they made...
