

Parent Information – Friday 11th June 2021

Remember to go online to Parentpay to book hot school lunches for next week by Sunday evening. This week the system has run really smoothly and it is wonderful to have the children enjoying hot school meals in the canteen, or picnicking with their sandwiches outside their classrooms.

Message from Gloucestershire County Council and the NHS:

NHS urges people in current COVID-19 vaccination priority groups: ‘Don’t delay – take up the offer now’ The 25 – 29 age group are now being invited for vaccination – we are really pleased that this now means most of our school staff have been able to book theirs and we hope lots of parents too!

Road Safety Day – we are participating next Wednesday morning in the Brake Kids’ Walk which is a national initiative to make all road users aware of the fact that there are a lot of children walking to and from school at the beginning and end of the day. If the roads were safer, more would walk and there would be less traffic which would benefit local residents and the environment. We hope that raising awareness of road safety will make everyone drive more carefully and so ensure that the children are safer and parents are more likely to encourage them to walk to school.
